## LA PIETRA DOGATA

In questa linea il classico pannello dogato viene reinterpretato con nuove proposte. Alternative soluzioni nel posizionamento delle doghe hanno ispirato il disegno dei pannelli Zigo Zago e Tric&Trac. Altro punto forte della collezione sono le finiture: vera pietra in quattro varianti e effetti cemento, rovere tavolato, lamiera ossidata, vintage, abete gessato e olmo fiammato.

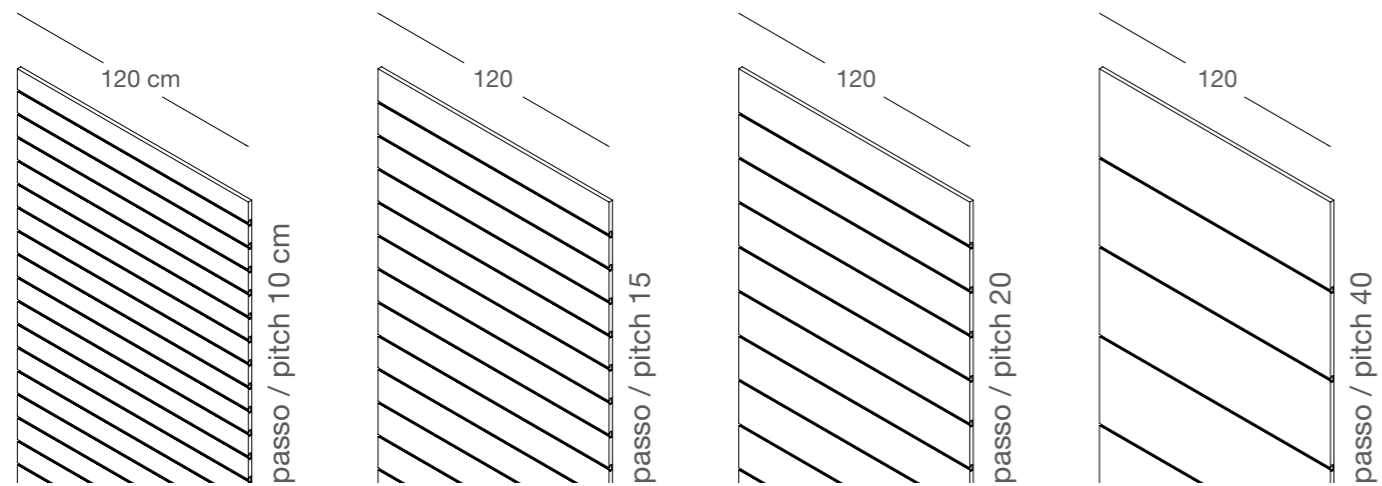

## LA PIETRA DOGATA

*This line presents the classic Slatboard panel system in a very modern and fresh look with new and updated proposals. Zigo Zago and Tric & Trac represent original solutions for the grooves position.*

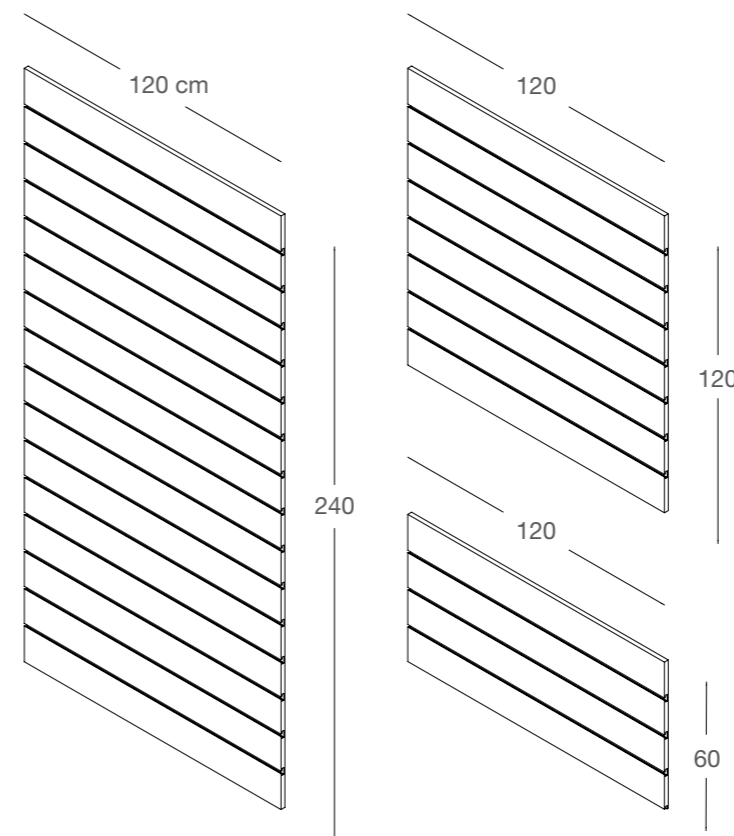

*The must of this collection is the great choice of the finishing: real stone in 4 variants, finishings like concrete, planked oak, oxidized sheet, vintage, chalky fir, flamed elm.*
